[News Article: Dominic Cummings' data law shake-up a danger to trade, says EU](#)

The government’s newly published national data strategy, promising a “transformation” long sought by Dominic Cummings, has sparked concern in Brussels at a sensitive time with the continued flow of data between the UK and EU member States in question.

[ICO News: ICO launches consultation on draft Statutory guidance](#)

The Information Commissioner's Office (ICO) has launched a public consultation on its draft Statutory guidance, which details how it will regulate and enforce data protection legislation in the UK.

[News Article: H&M fined more than \\$40 million for spying on employees](#)

The German privacy watchdog announced that it is fining clothing retailer H&M 35.3 million euros after the company was found to have collected private information about employees at a customer service centre, “ranging from rather harmless details to family issues and religious beliefs.”

[Relates to Germany]
