[News Article: British Dental Association hack: Staff records leaked on the Dark Web](#)
Detailed staff records stolen by hackers from British Dental Association servers were leaked on the Dark Web soon after a massive cyber attack forced the Association to take some of its systems offline.

[News Article: The healthcare challenge: Protecting patient data privacy during a global pandemic](#)
Changes to the way we use healthcare data, due to the Covid-19 pandemic, present challenges to the healthcare industry that has never been seen before – at least not to the same extent and with the same amount of urgency.

[News Article: NHS probe after walker comes across confidential document near Highland hospital](#)
A confidential document with details of 19 patients – the majority of them elderly and many living alone – was found on open ground near Caithness General Hospital in Scotland.
