[News Article: Is it time for a common law rewrite of GDPR?](#)

The European Commission's approval for the 'adequacy' status of the UK's data protection laws has been welcomed by the Government. But is the UK making the wrong choice of regimes?

[News Article: GDPR is already out of date, founder warns](#)

A German MEP has argued that the EU GDPR requires "some type of surgery" in light of the shift to the new work from home environment that didn't exist before the COVID-19 pandemic.

[News Article: Why hot new social app Clubhouse spells nothing but trouble](#)

The startup's invitation-only model gives it a sheen of exclusivity, but privacy horrors lurk behind the buzz.

This eAlert is intended for staff, both within the NHS Wales Informatics Service and other NHS organisations, who may have an interest in Information Governance issues that affect the NHS in Wales. If you have any articles which you feel would also be useful to colleagues, please feel free to forward them for inclusion in our next edition.

The NHS Wales Informatics Service is not responsible for the contents or reliability of the linked websites and does not necessarily endorse the views expressed within them. Listing shall not be taken as endorsement of any kind. We cannot guarantee that these links will work all of the time and we have no control over availability of the linked pages.
