[ICO Blog: The Data Protection Fee: does your company need to pay?](#)
Under the Data Protection Act 2018 organisations processing personal information are required to pay a data protection fee unless they are exempt. The Information Commissioner's Office (ICO) have launched a campaign reminding companies of their legal responsibility to pay a data protection fee.

[News Article: Cleveland Police Officer's mother-in-law 'threw out' child sex files](#)
A hearing has been told that details of child sex victims ended up in a skip after a police sergeant's mother-in-law threw them out by accident.

[ICO News: ICO consultation on the draft right of access guidance](#)
The ICO are running a consultation on their draft guidance on the right to access to gather the views of stakeholders and the public.

[News Article: UK-US post-Brexit data flow agreement could water down regulation standards](#)
Obtaining commitments that guarantee the free-flow of personal data across the Atlantic is a "top priority" for the US in any discussions with the UK over a future relationship post-Brexit.
