[News Article: Senior nurse looked at colleagues' confidential medical records to check they weren't pulling sickies](#)

A senior nurse accessed the confidential medical records of colleagues because she believed they were faking illness to dodge shifts.

[News Article: Industry takes stock of data protection rules](#)

The General Data Protection Regulation (GDPR) came into force on May 25th 2018. One year on, how has it affected the way the organisations hold and process people's personal data?

[ICO Blog: Counting the cost of accessing environmental information](#)

A recent enforcement decision taken by the Information Commissioner's Office concerning charges under the Environmental Information Regulations 2004 will now make it easier for people to do so.

[News Article: Data protection penalties hit £6.5m post GDPR](#)

UK organisations were fined more than £6.5m for breaching data protection laws in 2018, over £2m more than the previous year.

[News Article: Facebook, Google and Twitter in data regulators' sights](#)

Social media giant Facebook and its subsidiaries Instagram and WhatsApp have been the subject of most data investigations in the Republic of Ireland since the European Union's new data protection regulation came into force a year ago.
