[News Article: NHS England rules medical practice did breach data protection in U-turn](#)

Following a review, NHS England has reversed its decision and found that a medical practice did breach its data protection obligations when posting personal information about a former patient online as part of a FOI request. Questions also surround the legitimacy of the Practice's consultant Data Protection Officer.

[News Article: NHS reports data breach as faxes sent to an incorrect recipient](#)

A hotel group has notified NHS England that misdirected faxes including requests for medication were being sent to them by mistake. NHS England is offering advice to Pharmacies and GP Surgeries.
