[ICO News: UK political parties must improve data protection practices](#)

The Information Commissioner's Office (ICO) has set out how seven of the UK's political parties need to improve the way they handle people's personal data after assessing how they manage data protection.

[News Article: EDPB Releases Guidance for EU-US Data Transfers](#)

The EU Data Protection Board (EDPB) has provided guidance to ensure data transferred outside the EU is adequately protected after the previous framework was struck down.

[ICO Blog: Access to information: driving change through education, engagement and enforcement](#)

The ICO's report into the performance of police forces in England, Wales and Northern Ireland in responding to information access requests within statutory time limits has identified areas of good practice in meeting time limits which others can learn.
