[News Article: Nervous wait on EU-UK data flows, despite trade deal](#)

In the wake of the EU-UK trade deal, businesses in the UK that serve EU consumers are watching closely to see how data flows will be impacted.

[ICO News: Motor industry employee sentenced in ICO Computer Misuse Act prosecution](#)

A RAC employee has been sentenced to eight months' imprisonment, suspended for two years, in a prosecution brought by the Information Commissioner's Office (ICO) after the employee transferred personal data to an accident claims management firm without authorisation.

[News Article: WhatsApp and Facebook to share users' data outside Europe and UK](#)

WhatsApp is forcing users to agree to sharing information with Facebook if they want to keep using the service. However, WhatsApp has said European and UK users would not see the same data-sharing changes, although they will need to accept new terms.

This eAlert is intended for staff, both within the NHS Wales Informatics Service and other NHS organisations, who may have an interest in Information Governance issues that affect the NHS in Wales. If you have any articles which you feel would also be useful to colleagues, please feel free to forward them for inclusion in our next edition.
