[News Item: Data breach at Ceredigion council blamed on human error](#)

Ceredigion County Council have blamed 'human error' for the publication of personal and sensitive information, including health information, on their website last summer.

[News Article: Making digital healthcare a reality](#)

Whether it's budget constraints, policy evolution or staff shortages, the challenges facing healthcare institutions have been well documented and reported.

[ICO Blog: Show you mean business by paying the Data Protection Fee](#)

The Information Commissioner's Office has explained why businesses need to pay the data protection fee (if it applies to them).

[News Article: GDPR - Not Heavy Handed Yet, But Driving Data Breaches Into The Open](#)

Among its multiple mandates, GDPR requires that organisations report a breach within 72 hours of becoming aware of it. Failure to do that can bring more punitive sanctions than a breach itself.
