

## 18<sup>fed</sup> O Ebrill / 18<sup>nd</sup> April 2019

### [ICO Blog: Data Protection law does not prevent information sharing to save lives and stop crime](#)

The Information Commissioner's Office (ICO) reminds public and private organisations that new data protection legislation does not stop them from disclosing personal data to assist police forces or other law enforcement authorities.

### [ICO News: Bounty UK fined £400,000 for sharing personal data unlawfully](#)

The ICO has fined a pregnancy and parenting club £400,000 for illegally sharing personal information belonging to more than 14 million people.

### [ICO Blog: Automated Decision Making: the role of meaningful human reviews](#)

The ICO explore how organisations can ensure 'meaningful' human involvement to make sure AI decisions are not classified as solely automated by mistake.

### [ICO News: ICO fines funeral plan firm and asks public to help elderly relatives to report nuisance calls](#)

The ICO wants people to support their elderly relatives or neighbours if they are receiving nuisance marketing calls. The appeal comes after the ICO issued a fine to a funeral plan firm who were making unlawful marketing calls.

### [News Article: Hotmail, MSN and Outlook emails exposed to hackers for months, Microsoft reveals](#)

Technology giant, Microsoft has revealed that hackers had access to Hotmail, MSN and Outlook emails for a large number of accounts for two months.

### [News Article: UK watchdog reveals naughty list of which companies haven't paid data protection fees](#)

Since May, organisations that define how and why personal data is processed have been required to pay higher fees to the ICO. The ICO has now published a list of those organisations that have been issued with a penalty notice for non-payment of the data protection fee.

### [ICO News: ICO launches consultation on Code of Practice to help protect children online](#)

The ICO has opened consultation on 16 online services must meet to protect children's privacy which will be the first of its kind and become an international benchmark.

### [News Article: Home Office to launch independent review of data protection compliance](#)

The Home Office has announced they are launching an independent review of its compliance with data protection rules, following two recent data breaches.
