[News Article: Google wins landmark right to be forgotten case](#)
The EU's top court has ruled that Google does not have to apply the right to be forgotten globally. It means the firm only needs to remove links from its search results in Europe - and not elsewhere - after receiving an appropriate request.

[News Article: NHS employee found accessing medical records of over 2,000 patients](#)
Wrightington, Wigan and Leigh NHS Foundation Trust recently announced that medical records of over two thousand patients were inappropriately accessed by a member of its staff without any legitimate reason for doing so.

[News Item: Emiliano Sala post-mortem CCTV footage pair jailed](#)
Two employees of a firm that provided the security camera system to Bournemouth Borough Mortuary have been jailed for offences under the Computer Misuse Act 1990 at Swindon Crown Court after they were found to have accessed CCTV footage of footballer Emiliano Sala's post-mortem examination.

[News Article: Google seeks permission for staff to listen to Assistant recordings](#)
Google has said it will let its human reviewers listen to audio recordings made by its virtual assistant only if users give it fresh permission to do so.
