#### News Article: Data Protection - adequacy and the Brexit dimension

As the UK exits the transition period, various debates are ongoing around the likes of unit-based trade, freedom of movement and immigration. However, the UK's future of data protection is not to be overlooked.

## ICO News: Marketing boss banned after thousands of nuisance calls

The Information Commissioner's Office (ICO) and the Insolvency Service have been working together to have shut down directors who try and avoid paying a fine for illegal marketing activity by shutting down their businesses.

## News Article: French food retail giant Carrefour fined €3m for GDPR breaches

Two companies of the Carrefour group have been fined more €3 million for several breaches of GDPR including the obligation to inform individuals, use of cookies, limiting the retention of data, the obligation to facilitate the exercise of rights and failure to respect rights.

[Relates to France]

### News Article: GDPR fine in Italy over aggressive telemarketing

The Italian data protection regulator has found that Vodafone's customer information storage system had multiple flaws and that the company had purchased contacts lists from external providers – with the information of up to 4.5 million people secured without user consent. [Relates to Italy]
