ICO News: ICO takes enforcement action against Experian after data broking investigation

The Information Commissioner's Office (ICO) has ordered the credit reference agency Experian Limited to make fundamental changes to how it handles people's personal data within its direct marketing services.

ICO News: Greater Manchester claims management company fined £250,000 for making millions of nuisance

The ICO has fined Reliance Advisory Limited £250,000 for breaking electronic marketing law. The ICO found that over a six month period RAL made 15.1 million calls in relation to claims management services such as mis-sold PPI. All of the calls, of which 1.1 million connected, were made to people who had not consented to receive them.

News Article: EU investigates Instagram over handling of children's data

Instagram is being investigated by Ireland's Data Protection Commissioner over its handling of children's personal data on the platform.

News Article: Therapy patients blackmailed for cash after clinic data breach

Patients of a large psychotherapy clinic in Finland have been contacted individually by a blackmailer after their data was stolen. The data appears to have included personal identification records and notes about what was discussed in therapy sessions.
