[News Article: 340 GDPR fines for a total of €158,135,806 issued since May 2018](#)
Since rolling out in May 2018, there have been 340 GDPR fines issued by European data protection authorities. Every one of the 28 EU nations, plus the United Kingdom, has issued at least one GDPR fine, according to a new report.

[News Article: Nearly a third of employees are handling more data according to survey](#)
30% of employees are handling more data and that more than a third (37%) anticipated an increase in both the number and value of data breach fines by 2025 according to a new survey.

[News Article: Personal data missing from Torfaen Citizens Advice bureau](#)
A Citizens Advice bureau has admitted losing the personal data of about 65 people at the beginning of lockdown. The Pontypool branch in Torfaen said three boxes of paper files went missing during an office move in March.
