[ICO News Article: ICO publishes guidance to ensure lawful monitoring in the workplace](#)

The Information Commissioner's Office (ICO) is calling on organisations to consider both their legal obligations and their workers' rights before they implement any monitoring in the workplace.

[BBC News Article: AI facial recognition: Campaigners and MPs call for ban](#)

Police and private companies should "immediately stop" the use of facial recognition surveillance, says a group of politicians and privacy campaigners.

[ICO Speech: Information Commissioner John Edwards' opening Data Protection Practitioners' Conference 2023 speech, delivered on 3 October 2023.](#)

Information Commissioner John Edwards told data protection professionals attending the ICO's annual conference that organisations need regulatory certainty on where they stand on all things AI.

This eAlert is intended for staff, both within Digital Health and Care Wales and other NHS organisations, who may have an interest in Information Governance issues that affect the NHS in Wales. If you have any articles which you feel would also be useful to colleagues, please feel free to forward them for inclusion in our next edition.
