[ICO News Article: UK Information Commissioner issues preliminary enforcement notice against Snap](#)

The Information Commissioner's Office (ICO) has issued Snap, Inc and Snap Group Limited (Snap) with a preliminary enforcement notice over potential failure to properly assess the privacy risks posed by Snap's generative AI chatbot 'My AI'.

[BBC News Article: Cumbria Police staff data breach a 'one-off'](#)

A police and crime commissioner (PCC) has said a force data breach was a "one-off". The names and the salaries of every Cumbria Police officer and staff member were accidentally published online in March.

[BBC News Article: EU opens investigation into X over alleged disinformation](#)

X, formerly known as Twitter, said it had removed hundreds of Hamas-affiliated accounts from the platform. Social media firms have seen a surge in misinformation about the conflict between Israel and Hamas, including doctored images and mislabelled videos.

This eAlert is intended for staff, both within Digital Health and Care Wales and other NHS organisations, who may have an interest in Information Governance issues that affect the NHS in Wales. If you have any articles which you feel would also be useful to colleagues, please feel free to forward them for inclusion in our next edition.
