[ICO Statement: ICO approves legal services certification scheme](#)

The Information Commissioner's Office (ICO) has approved a certification scheme aimed at legal service providers who process personal data.

[ICO Statement: ICO responds to Home Office's draft regulations to the immigration exemption](#)

The Information Commissioner's Office has welcomed proposed government changes to provide clearer safeguards around how people in a potentially vulnerable position within the immigration system are able to access the information held about them.

[BBC News Article: Croydon: Met Police to continue facial recognition despite concerns](#)

Live facial recognition is a "vital tool" for policing, the Metropolitan Police says, as it continues its roll-out of the technology in south London.

This eAlert is intended for staff, both within Digital Health and Care Wales and other NHS organisations, who may have an interest in Information Governance issues that affect the NHS in Wales. If you have any articles which you feel would also be useful to colleagues, please feel free to forward them for inclusion in our next edition.
